App-Based Taxi Services

Services such as Uber and Ola often experience difficulty locating Pembroke Lodge. We therefore recommend using one of the local taxi companies above whenever possible.

If you do choose to use an app-based service, please instruct your driver to enter via Richmond Gate and use postcode TW10 6BF as a waypoint.

Walking After Dark

For your safety, we strongly advise against walking through the park after dark. Richmond Park is unlit and is home to free-roaming deer and other wildlife which are often found near or on the roads between Pembroke Lodge and Richmond Gate.

Overnight Parking

Guests are welcome to leave their vehicles overnight in the public car park. To avoid receiving a parking ticket, please ensure you display a parking permit available from the bar. Please allow extra time for parking, particularly at weekends and during busy periods, as the car park is open to the general public and can become very busy.

Park Access & Driving Information

The park gates close at dusk. After this time, Richmond Gate will be staffed by our team. Please drive carefully within the park (particularly after dark) as deer and other wildlife may be present on or near the roads.

At weekends and on public holidays, Sawyer's Hill is closed to vehicle traffic between Richmond Gate and Roehampton Gate.

Richmond Park is a place of outstanding natural beauty, we hope you enjoy your visit.
